Offering of Senior Notes

On May 8, 2018, Fair Isaac Corporation (the “Company”) closed its previously announced private offering of \$400 million of its 5.25% Senior Notes due 2026 (the “Notes”). The Notes were issued pursuant to the Indenture dated as of May 8, 2018 (the “Indenture”) by and between the Company and U.S. Bank National Association, as trustee (the “Trustee”).

The Company intends to use the proceeds from this offering to repay certain indebtedness outstanding under its existing unsecured revolving credit facility, as discussed below, including, but not limited to, indebtedness borrowed under its existing unsecured revolving credit facility drawn to repay all of its outstanding 7.18% Series D Senior Notes due 2018 at maturity.

This Current Report on Form 8-K does not constitute an offer to sell, or the solicitation of an offer to buy, the Notes. Any offers of the Notes were made only by means of a private offering memorandum. The Notes have not been registered under the Securities Act of 1933, as amended (the “Securities Act”), or the securities laws of any other jurisdiction, and may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons absent registration or an applicable exemption from registration requirements. The Notes were sold to “qualified institutional buyers” as defined in Rule 144A under the Securities Act and to non-U.S. persons outside the United States under Regulation S under the Securities Act.

Indenture

The Notes are the senior unsecured obligations of the Company. As of May 8, 2018, none of the Company’s subsidiaries will be guarantors and the Notes will not be guaranteed. The Notes will be guaranteed, jointly and severally, on a senior unsecured basis by each of the Company’s future significant domestic subsidiaries (as defined in the Indenture).

The Company will pay interest on the Notes semi-annually on May 15 and November 15, commencing on November 15, 2018, at a rate of 5.25% per annum. The Notes will mature on May 15, 2026. The Company may redeem some or all of the Notes at any time prior to February 15, 2026 at a price equal to 100% of the principal amount of the Notes to be redeemed, plus a make-whole premium and accrued and unpaid interest to the redemption date. Thereafter, the Company may redeem the Notes at any time at a price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest to the redemption date.

The Indenture contains covenants that limit the ability of the Company and its subsidiaries to, under certain circumstances, (i) enter into sale/leaseback transactions, (ii) sell all, or substantially all, of its assets, (iii) create or permit to exist liens on its assets, (iv) incur debt at non-guarantor subsidiaries, or (v) effect a consolidation or merger. These covenants are subject to important exceptions and qualifications.

Upon the occurrence of specific change of control events that result in the rating of the Notes being below an investment grade rating by at least one of the rating agencies, as described in the Indenture, each noteholder will have the right to require the Company to make an offer to repurchase the Notes at 101% of the principal amount, plus accrued and unpaid interest to, but excluding, the date of repurchase.

The Indenture provides for certain events of default, including, among other things, (i) failure to pay interest on any Note when due and payable if such failure continues for 30 days; (ii) failure to pay any principal of, or premium, if any, on, any Note when due and payable at maturity, upon any redemption, required repurchase, upon declaration of acceleration or otherwise; (iii) failure by the Company to comply with its obligations under the Indenture with respect to consolidation with or merger with or into, or sale, transfer or lease of all or substantially all of the Company’s properties and assets to, another person; (iv) the failure by the Company or any future guarantor to comply for 45 days after notice with any of its obligations in the Indenture with respect to certain change of control events, limitations on liens, limitations on sale/leaseback transactions, limitations on subsidiary debt and addition of future guarantors; (v) the failure to comply with the other obligations or agreements in the Notes or the Indenture for

a period of 60 days after written notice of noncompliance has been received by the Company; (vi) failure to pay debt of the Company or any guarantor or significant subsidiary within any applicable grace period after final maturity or acceleration thereof if such amount exceeds \$50 million; (vii) certain events of bankruptcy, insolvency or reorganization; (viii) any final judgment or decree for the payment of money that is not covered by enforceable insurance policies in excess of \$50 million is entered against the Company or any guarantor or significant subsidiary that remains outstanding for a period of 60 consecutive days after becoming final and is not discharged, waived or stayed within 30 days after notice; or (ix) a future guarantee ceases to be in full force and effect or a guarantor denies or disaffirms its obligations under its guarantee. The events of default are subject to important exceptions and qualifications, as set forth in the Indenture.

The above description of the Indenture and the Notes is a summary only and is qualified in its entirety by reference to the Indenture and the form of Notes included therein, which are attached hereto as Exhibits 4.1 and 4.2 and are incorporated herein by reference.

Amendment to Credit Agreement

On May 8, 2018, the Company entered into a Third Amendment to Amended and Restated Credit Agreement (the “Third Amendment”) with the several banks and other financial institutions party thereto, and Wells Fargo Bank, National Association, as administrative agent, which amends the Amended and Restated Credit Agreement dated December 30, 2014 among the Company, the several banks and other financial institutions from time to time parties thereto, and Wells Fargo Bank, National Association, as administrative agent (as amended or supplemented prior to the date of the Third Amendment, the “Existing Credit Agreement”; the Existing Credit Agreement as amended by the Third Amendment, the “Credit Agreement”). The Credit Agreement provides the Company with an unsecured revolving credit facility (the “Credit Facility”).

Among other things, the Third Amendment amended the Existing Credit Agreement by (i) extending the maturity date of the Credit Facility from December 30, 2019 to May 8, 2023; (ii) modifying the financial covenants to require that (a) the Company’s maximum consolidated leverage ratio not exceed 3.25 to 1.00 (subject to a step up to 3.75 to 1.00 following certain permitted acquisitions, and subject to compliance with any lesser ratio contained in certain of the Company’s other debt agreements), (b) the Company maintain any fixed charge coverage ratio set forth in certain of its other debt agreements (currently, 2.50 to 1.00), and (c) in the absence of a fixed charge coverage ratio in such other debt agreements, the Company maintain an interest coverage ratio of at least 3.00 to 1.00; and (iii) reducing the aggregate revolving commitments from \$600 million to \$400 million. Subject to certain terms and conditions, the Company may increase the aggregate revolving commitments under the Credit Facility by \$100 million.

The lenders party to the Credit Agreement may have performed and may continue to perform commercial banking and financial services for the Company and its subsidiaries for which they have received and will continue to receive customary fees.

The Third Amendment is attached hereto as Exhibit 10.1 and incorporated herein by reference.

SECTION 1.04 Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such holders in person or by an agent duly appointed in writing. Except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments or record or both are delivered to the Trustee and, where it is hereby expressly required, to the Company and the Guarantors. Proof of execution of any such instrument or of a writing appointing any such agent, or the holding by any Person of a Note, shall be sufficient for any purpose of this Indenture and (subject to Section 7.01) conclusive in favor of the Trustee, the Company and the Guarantors, if made in the manner provided in this Section 1.04.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved (1) by the affidavit of a witness of such execution or by the certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof or (2) in any other manner deemed reasonably sufficient by the Trustee. Where such execution is by or on behalf of any legal entity other than an individual, such certificate or affidavit shall also constitute proof of the authority of the Person executing the same. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner that the Trustee deems sufficient.

(c) The ownership of Notes shall be proved by the Note Register or by a certificate of the Registrar.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the holder of any Note shall bind every future holder of the same debt as evidenced by such Note and the holder of every Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, in respect of any action taken, suffered or omitted by the Trustee, the Company or the Guarantors in reliance thereon, whether or not notation of such action is made upon such Note.

(e) The Company may, but is not obligated to, set a record date for purposes of determining the identity of holders entitled to make, give or take any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, or to vote on or consent to any action authorized or permitted to be taken by holders; *provided* that the Company may not set a record date for, and the provisions of this paragraph shall not apply with respect to, the giving or making of any notice, declaration, request or direction referred to in clause (f) below. Unless otherwise specified, if not set by the Company prior to the first solicitation of a holder made by any Person in respect of any such action, or in the case of any such vote, prior to such vote, any such record date shall be the later of 15 days prior to the first solicitation of such consent or vote or the date of the most recent list of holders furnished to the Trustee prior to such solicitation or vote. If any record date is set pursuant to this clause (e), the holders on such record date, and only such holders, shall be entitled to make, give or take such request, demand, authorization, direction, notice, consent, waiver or other action (including revocation of any action), whether or not such holders remain holders after such record date; *provided* that no such action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date by holders of the requisite principal amount of Notes, or each affected holder, as applicable, on such record date. Promptly after any record date is set pursuant to this paragraph, the Company, at its own expense, shall cause notice of such record date, the proposed action by holders and the applicable Expiration Date to be given to the Trustee in writing and to each holder in the manner set forth in Section 12.02.

(f) During the continuance of an Event of Default, the Trustee may set any day as a record date. If any record date is set pursuant to this paragraph, the holders on such record date, and no other holders, shall be

entitled to join in such notice, declaration, request or direction, whether or not such holders remain holders after such record date; *provided* that no such action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date by holders of the requisite principal amount of Notes or each affected holder, as applicable, on such record date. Promptly after any record date is set pursuant to this paragraph, the Trustee, at the Company's expense, shall cause notice of such record date, the proposed action by holders and the applicable Expiration Date to be given to the Company and to each holder in the manner set forth in Section 12.02.

(g) Without limiting the foregoing, a holder entitled to take any action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents, each of which may do so pursuant to such appointment with regard to all or any part of such principal amount. Any notice given or action taken by a holder or its agents with regard to different parts of such principal amount pursuant to this paragraph shall have the same effect as if given or taken by separate holders of each such different part.

No such request, demand, authorization, direction, notice, consent, waiver or other action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date.

(j) With respect to any record date set pursuant to this Section 1.04, the party hereto that sets such record date may designate any day as the "Expiration Date" and from time to time may change the Expiration Date to any earlier or later day; *provided* that no such change shall be effective unless notice of the proposed new Expiration Date is given to the other party hereto in writing, and to each holder of Notes in the manner set forth in Section 12.02, on or prior to both the existing and the new Expiration Date; *provided further*, that no Expiration Date shall be later than the 90th day after the relevant record date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section 1.04, the party hereto which set such record date shall be deemed to have designated the 90th day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this clause (j).

The Notes and the Trustee's certificate of authentication shall each be substantially in the form of Exhibit A hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Notes may have notations, legends or endorsements required by law, rules or agreements with national securities exchanges to which the Company or any Guarantor is subject, if any, or usage (*provided* that any such notation, legend or endorsement is in a form acceptable to the Company). Each Note shall be dated the date of its authentication. The Notes shall be in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

(b) The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited. The Initial Notes will be issued in an aggregate principal amount of up to \$400.0 million.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture, and the Company, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

The Notes shall be subject to repurchase by the Company pursuant to a Change of Control Offer as provided in Section 4.10, and otherwise as not prohibited by this Indenture. The Notes shall not be redeemable, other than as provided in Article 3.

Additional Notes may be created and issued from time to time by the Company without notice to or consent of the holders and shall be consolidated with and form a single class with the Initial Notes and shall have the same terms as to status, redemption or otherwise (other than issue date, issue price and, if applicable, the first Interest Payment Date and the first date from which interest will accrue) as the Initial Notes; *provided* that if any such Additional Notes are not fungible with the Initial Notes for U.S. federal income tax purposes, such Additional Notes will have one or more separate CUSIP numbers. The signature shall be conclusive evidence that the Note has been duly authenticated and delivered under this Indenture.

(c) On the Issue Date, the Trustee shall, upon receipt of a written order of the Company signed by an Officer (an “*Authentication Order*”), authenticate and deliver the Initial Notes; *provided* that the Trustee shall be entitled to receive an Officer’s Certificate and an Opinion of Counsel of the Company addressing such matters as the Trustee may reasonably request in connection with such authentication of such Notes. In addition, at any time and from time to time, the Trustee shall, upon receipt of an Authentication Order, authenticate and deliver any Additional Notes in an aggregate principal amount specified in such Authentication Order for such Additional Notes issued hereunder.

(d) The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with holders, the Company or an Affiliate of the Company.

The term “*Registrar*” includes any co-registrar, and the term “*Paying Agent*” includes any additional paying agent. The Company may change any Paying Agent or Registrar without prior notice to any holder. The Company shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Company fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

(b) The Company initially appoints DTC to act as Depository with respect to the Global Notes. The Company initially appoints the Trustee to act as Paying Agent and Registrar for the Notes and to act as Custodian with respect to the Global Notes. (c) The Company shall be responsible for making calculations called for under the Notes and this Indenture, including but not limited to determination of interest, redemption price, Applicable Premium, premium, if any, and any additional amounts or other amounts payable on the Notes. The Company will make the calculations in good faith and, absent manifest error, its calculations will be final and binding on the holders. The Trustee is entitled to rely conclusively on the accuracy of the Company’s calculations without independent verification.

SECTION 2.04 Paying Agent to Hold Money in Trust.

The Company shall, no later than 12:00 p.m. (noon), Central time, on each due date for the payment of principal, premium (if any) and interest on any of the Notes, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held in trust for the holders entitled to the same, and (unless such Paying Agent is the Trustee) the Company shall promptly notify the Trustee of its action or failure so to act. The Company shall require each Paying Agent other than the Trustee to agree in writing that such Paying Agent shall hold in trust for the benefit of holders or the Trustee all money held by such Paying Agent for the payment of principal, premium (if any) and interest on the Notes, and shall notify the Trustee of any default by the Company in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, a Paying Agent shall have no further liability for the money. If the Company or a Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Company, the Trustee shall serve as Paying Agent for the Notes.

SECTION 2.05 Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all holders and shall otherwise comply with Trust Indenture Act Section 312(b). If the Trustee is not the Registrar, the Registrar shall, upon request by the Company, furnish to the Trustee at least two Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the holders. The Company shall otherwise comply with Trust Indenture Act Section 312(a).

SECTION 2.06 Transfer and Exchange.

(a) The Notes shall be issued in registered form and shall be transferable only upon the surrender of a Note for registration of transfer and in compliance with Appendix A.

(b) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 or at the Registrar's request.

(c) No service charge shall be imposed in connection with any registration of transfer or exchange (other than pursuant to Section 2.07), but the holders shall be required to pay any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06 and 9.05).

(d) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(e) Neither the Company nor the Registrar shall be required (1) to issue, to register the transfer of or to exchange any Note during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 and ending at the close of business on the day of selection, (2) to register the transfer of or to exchange any Note so selected for redemption, or tendered for repurchase (and not withdrawn) in connection with a Change of Control Offer, in whole or in part, except the unredeemed or unpurchased portion of any Note being redeemed or repurchased in part or (3) to register the transfer of or to exchange any Note between a Record Date and the next succeeding Interest Payment Date.

(f) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal, premium (if any) and (subject to the Record Date provisions of the Notes) interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(g) Upon surrender for registration of transfer of any Note at the office or agency of the Company designated pursuant to Section 4.02, the Company shall execute, and the Trustee shall authenticate and mail, in the name of the designated transferee or transferees, one or more replacement Notes of any authorized denomination or denominations of a like aggregate principal amount.

Whenever any Global Notes or Definitive Notes are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and mail, the replacement Global Notes and Definitive Notes which the holder making the exchange is entitled to in accordance with the provisions of Appendix A.

SECTION 2.07 Replacement Notes.

If a mutilated Note is surrendered to the Trustee or if a holder claims that its Note has been lost, destroyed or wrongfully taken and the Trustee receives evidence to its satisfaction of the ownership and loss, destruction or theft of such Note, the Company shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements are otherwise met. If required by the Trustee or the Company, an indemnity bond must be provided by the holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company may charge the holder for the expenses of the Company and the Trustee in replacing a Note. Every replacement Note is a contractual obligation of the Company and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder. Notwithstanding the foregoing provisions of this Section 2.07, in case any mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Note, pay such Note.

SECTION 2.08 Outstanding Notes.

Except as set forth in Section 2.09, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note; *provided* that Notes held by the Company or a Subsidiary of the Company will not be deemed to be outstanding for purposes of Section 3.07(b).

(b) If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide protected purchaser, as such term is defined in Section 8-303 of the Uniform Commercial Code in effect in the State of New York.

(c) On or after the maturity date or any redemption date or date for purchase of the Notes pursuant to a Change of Control Offer, those Notes payable or to be redeemed or purchased on that date for which the Trustee (or Paying Agent, other than the Company or an Affiliate of the Company) holds money sufficient to pay all amounts then due will cease to be outstanding for all purposes under this Indenture.

(d) If a Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on the maturity date, any redemption date or any date of purchase pursuant to a Change of Control Offer, money sufficient to pay Notes payable or to be redeemed or purchased on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

SECTION 2.09 Treasury Notes.

In determining whether the holders of the requisite principal amount of Notes have concurred in any direction, waiver or consent, Notes beneficially owned by the Company, or by any Affiliate of the Company, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to the Notes and that the pledgee is not the Company or any obligor upon the Notes or any Affiliate of the Company or of such other obligor.

SECTION 2.10 Temporary Notes.

Until definitive Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Company considers appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes. Upon surrender for cancellation of any temporary Notes the Company will execute and the Trustee will authenticate and deliver in exchange therefor a like principal amount of definitive Notes of authorized denominations. Holders and beneficial holders, as the case may be, of temporary Notes shall be entitled to all of the benefits accorded to holders, or beneficial holders, respectively, of Notes under this Indenture.

SECTION 2.11 Cancellation.

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of cancelled Notes in accordance with its customary procedures (subject to the record retention requirement of the Exchange Act). Certification of the cancellation of all cancelled Notes shall, upon the written request of the

Company, be delivered to the Company. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

SECTION 2.12 Defaulted Interest.

(a) If the Company defaults in a payment of interest on the Notes under Section 4.01 of this Indenture, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.12. The Trustee shall fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. The Trustee shall promptly notify the Company of such special record date. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) shall mail or deliver by electronic transmission in accordance with the applicable procedures of the Depository, or cause to be mailed or delivered by electronic transmission in accordance with the applicable procedures of the Depository to each holder a notice that states the special record date, the related payment date and the amount of such interest to be paid.

(b) Subject to the foregoing provisions of this Section 2.12, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue interest, which were carried by such other Note.

SECTION 2.13 CUSIP and ISIN Numbers.

The Company in issuing the Notes may use CUSIP or ISIN numbers (if then generally in use) and, if so, the Trustee may use CUSIP or ISIN numbers in notices as a convenience to holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice and that reliance may be placed only on the other identification numbers printed on the Notes, and any such notice shall not be affected by any defect in or omission of such numbers. The Company shall promptly notify the Trustee in writing of any change in the CUSIP or ISIN numbers.

ARTICLE 3

REDEMPTION

SECTION 3.01 Notices to Trustee.

If the Company elects to redeem Notes pursuant to Section 3.07, it shall furnish to the Trustee, at least three Business Days before notice of redemption is required to be mailed or sent to holders pursuant to Section 3.03 but not more than 60 days before a redemption date (unless a shorter notice shall be agreed to by the Trustee), an Officer's Certificate setting forth (1) the redemption date, (2) the principal amount of the Notes to be redeemed and (3) the redemption price, if then ascertainable. If the redemption price is not known at the time such notice is to be given, the actual redemption price calculated as described in the terms of the Notes will be set forth in an Officer's Certificate delivered to the Trustee no later than two Business Days prior to the redemption date.

SECTION 3.02 Selection of Notes to Be Redeemed or Purchased.

(a) If the Company is redeeming less than all the Notes at any time, the Trustee shall select the Notes on a pro rata basis by lot or by such other method as the Trustee deems to be fair and appropriate; *provided, however*, that Global Notes will be selected in accordance with the applicable procedures of DTC. In the event of partial redemption or purchase by lot, the particular Notes to be redeemed or purchased shall be selected, unless

otherwise provided herein, not less than 15 nor more than 45 days prior to the redemption date by the Trustee from the then outstanding Notes not previously called for redemption or purchase.

(b) The Trustee shall promptly notify the Company in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected shall be in amounts of \$2,000 or integral multiples of \$1,000 in excess thereof. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

(c) After the redemption date or purchase date, upon surrender of a Note to be redeemed or purchased in part only, a new Note or Notes in principal amount equal to the unredeemed or unpurchased portion of the original Note, representing the same Debt to the extent not redeemed or not purchased, shall be issued in the name of the holder of the Notes upon cancellation of the original Note (or appropriate book entries shall be made to reflect such partial redemption).

SECTION 3.03 Notice of Redemption.

(a) The Company shall mail or deliver by electronic transmission in accordance with the applicable procedures of the Depository, or cause to be mailed (or delivered by electronic transmission in accordance with the applicable procedures of the Depository) notices of redemption of Notes not less than 15 days but not more than 45 days before the redemption date to each holder whose Notes are to be redeemed pursuant to this Article 3 at such holder's registered address or otherwise in accordance with the applicable procedures of the Depository, except that redemption notices may be mailed or sent more than 45 days prior to a redemption date if the notice is issued in connection with Article 8 or Article 11.

(b) The notice shall identify the Notes to be redeemed (including CUSIP and ISIN number, if applicable) and shall state:

- (1) the redemption date;
- (2) the redemption price, including the portion thereof representing any accrued and unpaid interest; *provided* that in connection with a redemption under Section 3.07(a), the notice need not set forth the redemption price but only the manner of calculation thereof;
- (3) if any Note is to be redeemed in part only, the portion of the principal amount of that Note that is to be redeemed;
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (6) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (7) the paragraph or subparagraph of the Notes or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;
- (8) that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, if any, listed in such notice or printed on the Notes; and
- (9) if applicable, any condition to such redemption.

(c) At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at the Company's expense; *provided* that the Company shall have delivered to the Trustee, at least three

Business Days before notice of redemption is required to be sent or caused to be sent to holders pursuant to this Section 3.03 (unless a shorter notice shall be agreed to by the Trustee), an Officer's Certificate requesting that the Trustee give such notice and setting forth the notice to be given as an exhibit thereto.

SECTION 3.04 Effect of Notice of Redemption.

(a) Subject to clause (b) below, notice of redemption is mailed or sent in accordance with Section 3.03, Notes called for redemption shall become irrevocably due and payable on the redemption date at the redemption price. The notice, if mailed or delivered by electronic transmission in a manner herein provided, shall be conclusively presumed to have been given, whether or not the holder receives such notice. In any case, failure to give such notice or any defect in the notice to the holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Subject to Section 3.05, on and after the redemption date, interest ceases to accrue on Notes or portions of Notes called for redemption, unless subject to a condition precedent that has not been satisfied. If any such condition precedent has not been satisfied, the Company shall provide written notice to the Trustee prior to the close of business two Business days prior to the redemption date. Upon receipt of such notice, the notice of redemption shall be rescinded and the redemption of the notes shall not occur. Upon receipt, the Trustee shall provide such notice to each holder of the Notes in the same manner in which the notice of redemption was given.

(b) In addition, if such redemption is subject to one or more conditions precedent, such notice shall describe each such condition and, if applicable, shall state that in the Company's discretion, the redemption date may be delayed until such time (including more than 60 days after the date the notice of redemption was mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date as so delayed. The Company shall provide prompt written notice to the Trustee prior to the close of business two Business Days prior to the redemption date rescinding such redemption and notice of redemption shall be rescinded and of no force and effect. Upon receipt of such notice from the Company rescinding such redemption, the Trustee, upon written request of the Company, will promptly send a copy of such notice to the holders of the Notes to be redeemed in the same manner in which the notice of redemption was given.

SECTION 3.05 Deposit of Redemption or Purchase Price.

(a) No later than 12:00 p.m. (noon), Central time, on the redemption or purchase date (or such later time as such date to which the Trustee may reasonably agree), the Company shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued and unpaid interest on all Notes to be redeemed or purchased on that date. If a Note is redeemed or purchased on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest shall be paid to the holder of record on such Record Date. The Paying Agent shall promptly mail to each holder whose Notes are to be redeemed or repurchased the applicable redemption or purchase price thereof and accrued and unpaid interest thereon. The Trustee or the Paying Agent shall promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption or purchase price of, and accrued and unpaid interest on, all Notes to be redeemed or purchased.

(b) If the Company complies with the provisions of Section 3.05(a), on and after the redemption or purchase date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest to the redemption or purchase date in respect of such Note will be paid on such redemption or purchase date to the Person in whose name such Note is registered at the close of business on such Record Date. If any Note called for redemption or purchase shall not be so paid upon surrender for redemption or purchase because of the failure of the Company to comply with Section 3.05(a), interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and, to the extent lawful, on any interest accrued to the redemption or purchase date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01.

SECTION 3.06 Notes Redeemed or Purchased in Part.

Upon surrender of a Note that is redeemed or purchased in part, the Company shall issue and, upon receipt of an Authentication Order, the Trustee shall promptly authenticate and mail to the holder (or cause to be transferred by book entry) at the expense of the Company a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered representing the same Debt to the extent not redeemed or purchased; *provided* that each new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

SECTION 3.07 Optional Redemption.

(a) At any time prior to February 15, 2026 (three months prior to the maturity date), the Company will be entitled, at its option, to redeem all or a portion of the Notes at a redemption price equal to 100% of the principal amount of the Notes plus the Applicable Premium as of, and accrued and unpaid interest, if any, to, but excluding the redemption date. Notice of such redemption must be mailed by first-class mail (or delivered by electronic transmission in accordance with the applicable procedures of DTC) to each holder's registered address, not less than 15 nor more than 45 days prior to the redemption date.

(b) In addition, on or after February 15, 2026 (three months prior to the maturity date of the Notes), the Company may redeem the Notes in whole or in part at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest to, but not including the redemption date.

(c) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06.

(d) If the optional redemption date is on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest in respect of Notes subject to redemption will be paid on the redemption date to the Person in whose name the Note is registered at the close of business, on such Record Date, and no additional interest will be payable to holders whose Notes will be subject to redemption by the Company.

SECTION 3.08 Mandatory Redemption.

The Company will not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

SECTION 3.09 Notice in Connection with a Transaction or Event.

Notice of any redemption of the Notes in connection with a transaction or an event (including a Change of Control Triggering Event) may, at the Company's discretion, be given prior to the completion or the occurrence thereof and any such redemption or notice may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion or occurrence of the related transaction or event.

ARTICLE 4

COVENANTS

SECTION 4.01 Payment of Notes.

(a) The Company shall pay, or cause to be paid, the principal, premium (if any) and interest on the Notes on the dates and in the manner provided in the Notes. Principal, premium (if any) and interest shall be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary, holds as of 12:00 p.m. (noon), Central time, on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay the principal premium (if any) and interest then due.

(b) The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to the then applicable interest rate on the Notes to the extent lawful; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

(c) Payments in respect of the Notes represented by the Global Notes are to be made by wire transfer of immediately available funds to the accounts specified by the holders of the Global Notes. With respect to Certificated Notes, the Company will make all payments by wire transfer of immediately available funds to the accounts specified by the holders thereof or, if no such account is specified, by mailing a check to each holder's registered address.

SECTION 4.02 Maintenance of Office or Agency.

The Company shall maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company and the Guarantors in respect of the Notes and this Indenture may be served. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate additional offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03.

SECTION 4.03 Taxes.

The Company shall pay, and shall cause each of its Significant Subsidiaries to pay, prior to delinquency, all material taxes, assessments and governmental levies except such as are being contested in good faith and for which appropriate reserves have been made.

SECTION 4.04 Stay, Extension and Usury Laws.

The Company and each Guarantor covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company and each Guarantor (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenant that it shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

SECTION 4.05 Corporate Existence.

Subject to Article 5 (including any action permitted by Section 5.01), the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect (1) its corporate existence and the corporate, partnership, limited liability company or other existence of each of its Significant Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any Significant Subsidiary and (2) the material rights (charter and statutory), licenses and franchises of the Company and its Significant Subsidiaries; *provided* that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership, limited liability company or other existence of any of its Significant

Subsidiaries, if the Company in good faith shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Significant Subsidiaries, taken as a whole.

SECTION 4.06 SEC Reports.

(a) Notwithstanding that the Company may not be subject to the reporting requirements of Sections 13 or 15(d) of the Exchange Act, the Company shall file with the SEC and make available to the Trustee and noteholders within 15 days after the Company would be required to file with the SEC such annual reports and such information, documents and other reports as are specified in Sections 13 and 15(d) of the Exchange Act and applicable to a U.S. corporation subject to such Sections; *provided, however*, that the Company shall not be so obligated to file such reports with the SEC if the SEC does not permit such filing, in which event the Company will make available such information to the Trustee and noteholders within 15 days after the time the Company would be required to file such information with the SEC if it were subject to Sections 13 or 15(d) of the Exchange Act; *provided, further*, that such reports will not be required to contain the separate financial information contemplated by Rule 3-10 or Rule 3-16 under Regulation S-X promulgated by the SEC (or any successor provision).

(b) The Trustee shall have no responsibility to ensure that such filing has occurred. Delivery of reports, information and documents to the Trustee is for informational purposes only and its receipt of such reports shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of the covenants under this Indenture or the Notes (as to which the Trustee is entitled to rely exclusively on Officer's Certificates). The Company will be deemed to have furnished such reports referred to in this section to the Trustee and the noteholders if the Company has filed such reports with the SEC via the EDGAR filing system and such reports are publicly available.

SECTION 4.07 Compliance Certificate; Notice of Default.

(a) The Company shall deliver to the Trustee, within 120 days after the end of each fiscal year ending after the Issue Date, an Officer's Certificate stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officer, and further stating, as to such Officer signing such certificate, that to the best of his or her knowledge, the Company and each Guarantor have kept, observed, performed and fulfilled each covenant contained in this Indenture and is not in default in the performance or observance of any of the covenants of this Indenture (or, if a Default shall have occurred, describing all such Defaults of which he or she may have knowledge and what action the Company and each Guarantor are taking or propose to take with respect thereto).

(b) When any Default has occurred and is continuing under this Indenture, the Company shall within five Business Days after the occurrence thereof send to the Trustee an Officer's Certificate specifying such event, its status and what action the Company is taking or proposes to take with respect thereof.

SECTION 4.08 Limitation on Liens.

(a) The Company shall not, and shall not permit any Subsidiary of the Company to, create, incur, issue, assume or guarantee any indebtedness for money borrowed evidenced by loans, bonds, notes, debentures, letters of credit, bankers' acceptances, hedging obligations or instruments similar to the foregoing, in each case to the extent such indebtedness would appear as a liability on the balance sheet of such Person in accordance with GAAP ("*Debt*") secured by a Lien upon (a) any Property of the Company or such Subsidiary, or (b) any shares of Capital Stock or Debt issued by any Subsidiary of the Company and owned by the Company or any Subsidiary of the Company, whether owned on the Issue Date or thereafter acquired, without effectively providing concurrently that the Notes then outstanding under this Indenture are secured equally and ratably with or, at the option of the Company, prior to such Debt so long as such Debt shall be so secured.

(b) The foregoing restriction shall not apply to, and there shall be excluded from Debt (or any guarantee thereof) in any computation under such restriction, Debt (or any guarantee thereof) secured by:

- (1) Liens on any Property existing at the time of the acquisition thereof; *provided* that such Liens were not incurred in connection with such acquisition;
- (2) Liens on Property of a Person existing at the time such Person is amalgamated, merged into or consolidated with the Company or a Subsidiary of the Company or at the time of a sale, lease or other disposition of the Properties of such Person (or a division thereof) as an entirety or substantially as an entirety to the Company or a Subsidiary of the Company; *provided* that any such Lien does not extend to any Property owned by the Company or any Subsidiary of the Company immediately prior to such amalgamation, merger, consolidation, sale, lease or disposition; *provided, further*, that any such Lien was not incurred in anticipation of such amalgamation, merger, consolidation, sale, lease or disposition;
- (3) Liens on Property of a Person existing at the time such Person becomes a Subsidiary of the Company; *provided* that such Lien was not incurred in anticipation of such Person becoming a Subsidiary of the Company;
- (4) Liens in favor of the Company or a Subsidiary of the Company;
- (5) Liens to secure all or part of the cost of acquisition, construction, development or improvement of the underlying Property, or to secure Debt incurred to provide funds for any such purpose; *provided* that the commitment of the creditor to extend the credit secured by any such Lien shall have been obtained no later than one year after the later of (a) the completion of the acquisition, construction, development or improvement of such Property or (b) the placing in operation of such Property; *provided, further*, that such Liens do not extend to any Property other than such Property subject to acquisition, construction, development or improvement and accessions thereto and improvements thereon;
- (6) Liens in favor of the United States of America or any State thereof, or any department, agency or instrumentality or political subdivision of the foregoing, to secure partial, progress, advance or other payments pursuant to any contract, regulation or statute;
- (7) Liens existing on the Issue Date or any extension, renewal, replacement or refunding of any Debt (or any guarantee thereof) secured by a Lien existing on the Issue Date or referred to in clauses (1)-(3) or (5); *provided* that any such extension, renewal, replacement or refunding of such Debt (or any guarantee thereof) shall be created within one year of repaying the Debt (or any guarantee thereof) secured by the Lien referred to in clauses (1)-(3) or (5) and the principal amount of the Debt (or any guarantee thereof) secured thereby and not otherwise authorized by clauses (1)-(3) or (5) shall not exceed the principal amount of Debt (or any guarantee thereof), plus any premium or fee payable in connection with any such extension, renewal, replacement or refunding, so secured at the time of such extension, renewal, replacement or refunding;
- (8) Liens imposed by law, such as landlords', carriers', warehouseman's, materialmen's, repairmen's and mechanics' Liens, arising in the ordinary course of business, in each case for sums not yet overdue or which are being contested in good faith by appropriate proceedings;
- (9) Liens in favor of the Notes and the Guarantees;
- (10) Liens securing Hedging Obligations entered into in the ordinary course of business; and
- (11) minor survey exceptions, minor encumbrances, ground leases, easements or reservations of, or rights of others for, licenses, rights-of-way, servitudes, sewers, electric lines, drains, telegraph, telephone and cable television lines and other similar purposes, or zoning, building codes or other restrictions (including minor defects and irregularities in title and similar encumbrances) as to the use of real properties or Liens incidental to the conduct of the business of such Person or to the ownership of its Properties which were not incurred in connection with Debt and which do not in the aggregate materially impair their use in the operation of the business of such Person.

(c) Notwithstanding the restrictions described above, the Company and any Subsidiaries of the Company may create, incur, issue, assume or guarantee Debt secured by Liens without equally and ratably securing the Notes then outstanding if, at the time of such creation, incurrence, issuance, assumption or guarantee, after giving effect thereto and to the retirement of any Debt which is concurrently being retired,

(A) the aggregate amount of all such Debt secured by Liens which would otherwise be subject to such restrictions (other than any Debt (or any guarantee thereof) secured by Liens permitted as described in clauses (1)-(11) of the immediately preceding paragraph), *plus*

(B) the aggregate principal amount of Subsidiary Debt (as defined below) then outstanding (not including any such Subsidiary Debt described in clauses (1)-(7) of Section 4.12(b) below) of Subsidiaries that do not guarantee the Notes, *plus*

(C) all Attributable Debt of the Company and the Subsidiaries of the Company in respect of Sale/Leaseback Transactions with respect to Properties (with the exception of such transactions that are permitted under clauses (1)-(4) of Section 4.11 below),

would not exceed 15.0% of the Consolidated Net Tangible Assets of the Company as most recently determined on or prior to such date.

SECTION 4.09 Future Guarantors.

If, after the Issue Date, any Subsidiary (including any newly formed or newly acquired Subsidiary) becomes a Significant Domestic Subsidiary, then the Company shall cause such Subsidiary to execute and deliver to the Trustee a supplemental indenture substantially in the form of Exhibit C to this Indenture pursuant to which such Subsidiary of the Company will fully and unconditionally guarantee payment of the Notes on a senior, unsecured basis on the terms and conditions set forth in this Indenture. In addition, the Company may, at its option, at any time cause any Subsidiary to guarantee the Notes on the terms and conditions set forth in this Indenture.

SECTION 4.10 Offer to Repurchase Upon Change of Control.

(a) Within 30 days following the occurrence of a Change of Control Triggering Event, each noteholder shall have the right to require that the Company make an offer to purchase such noteholder's Notes at a purchase price in cash equal to 101% of the principal amount thereof on the date of purchase plus accrued and unpaid interest, if any, to but excluding the date of purchase.

(b) If the Change of Control purchase date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest to the Change of Control purchase date will be paid on the Change of Control purchase date to the Person in whose name a Note is registered at the close of business on such Record Date.

(c) Within 30 days following the occurrence of a Change of Control Triggering Event, unless the Company has exercised its option to redeem all the Notes as described in Section 3.07, the Company shall mail (or deliver by electronic transmission in accordance with the applicable procedures of DTC) a notice to each noteholder, with a copy to the Trustee (the "*Change of Control Offer*"), stating:

(1) that a Change of Control Triggering Event has occurred and that such noteholder has the right to require the Company to purchase such noteholder's Notes at a purchase price in cash equal to 101% of the principal amount thereof on the date of purchase, plus accrued and unpaid interest, if any, to but excluding the date of purchase;

(2) the circumstances that constitute or may constitute such Change of Control Triggering Event;

(3) the purchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is sent); and

(4) the instructions, as determined by the Company, consistent with the covenant described hereunder, that a noteholder must follow in order to have its Notes purchased.

(d) The Company shall not be required to make a Change of Control Offer following a Change of Control Triggering Event if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer or if the Company has exercised its option to redeem all the Notes pursuant to the provisions described in Section 3.07.

(e) If 90% or more in principal amount of the then outstanding Notes have been redeemed or purchased pursuant this Section 4.10, the Company may, at its option, on not less than 30 or more than 60 days' notice to the holders of such Notes given within 30 days after the relevant purchase date, redeem or purchase (or procure the purchase of) the remaining outstanding Notes at 101% of their principal amount plus interest accrued to, but excluding, the date of such redemption or purchase pursuant to the provisions set forth in Sections 3.01 through 3.06.

(f) The Company shall comply, to the extent applicable, with the requirements of Rule 14e-1 of the Exchange Act and any other securities laws or regulations in connection with the purchase of Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the covenant described hereunder, the Company will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the covenant described hereunder by virtue of its compliance with such securities laws or regulations.

(g) Notwithstanding anything to the contrary in this Section 4.10, a Change of Control Offer may be made in advance of a Change of Control Triggering Event, conditional upon such Change of Control Triggering Event, if a definitive agreement is in place for the Change of Control at the time of making of such Change of Control Offer.

SECTION 4.11 Sale/Leaseback Transactions.

The Company shall not, and shall not permit any Subsidiary of the Company to, enter into any Sale/Leaseback Transaction with respect to any Property unless:

(1) the Sale/Leaseback Transaction is solely with the Company or another Subsidiary of the Company;

(2) the lease is for a period not in excess of 36 months (or which may be terminated by the Company or such Subsidiary), including renewals;

(3) the Company or such Subsidiary would (at the time of entering into such arrangement) be entitled as described in clauses (1)-(11) in Section 4.08(b) without equally and ratably securing the Notes then outstanding under this Indenture, to create, incur, issue, assume or guarantee Debt secured by a Lien on such Property in the amount of the Attributable Debt arising from such Sale/Leaseback Transaction;

(4) the Company or such Subsidiary within 180 days after the sale of such Property in connection with such Sale/Leaseback Transaction is completed, applies an amount equal to the net proceeds of the sale of such Property to (a) the retirement of Notes, other Debt of the Company ranking equally with or senior to the Notes or Debt of a Subsidiary of the Company, (b) the purchase of Property; or (c) a combination thereof; or

(5) (a) the Attributable Debt of the Company and Subsidiaries of the Company in respect of such Sale/Leaseback Transaction and all other Sale/Leaseback Transactions entered into after the Issue Date (other than any such Sale/Leaseback Transaction as would be permitted as described in clauses (1)-(4) of this sentence), *plus*

(b) the aggregate principal amount of Debt secured by Liens on Properties then outstanding (not including any such Debt secured by Liens described in clauses (1)-(11) in Section 4.08(b)) that are not equally and ratably secured with the outstanding Notes (or secured on a basis junior to the outstanding Notes), *plus*

(c) the aggregate principal amount of Subsidiary Debt then outstanding (not including any such Subsidiary Debt described in clauses (1)-(7) in Section 4.12(b)) of Subsidiaries that do not guarantee the Notes,

would not exceed 15.0% of the Consolidated Net Tangible Assets of the Company as most recently determined on or prior to such date.

SECTION 4.12 Limitation on Subsidiary Debt.

(a) The Company shall not permit any of its Subsidiaries to create, assume, incur, guarantee or otherwise become liable for any Debt (any such Debt of a Subsidiary of the Company, "*Subsidiary Debt*"), without guaranteeing the payment of the principal of, and premium (if any) and interest on, the Notes on an unsecured unsubordinated basis until such time as such Subsidiary Debt is no longer outstanding or in effect.

(b) The foregoing restriction shall not apply to, and there shall be excluded from Subsidiary Debt in any computation under such restriction, Subsidiary Debt constituting:

(1) Debt of a Person existing at the time such Person is amalgamated, merged into or consolidated with the Company or a Subsidiary of the Company or at the time of a sale, lease or other disposition of the Properties of such Person (or a division thereof) as an entirety or substantially as an entirety to the Company or a Subsidiary of the Company; *provided* that any such Debt is not guaranteed by the Company or any other Subsidiary of the Company (other than any guarantee existing at the time of such amalgamation, merger, consolidation, sale, lease or disposition); *provided, further*, that any such Debt was not incurred in anticipation of such amalgamation, merger, consolidation, sale, lease or disposition;

(2) Debt of a Person existing at the time such Person becomes a Subsidiary of the Company; *provided* that such Debt was not incurred in anticipation of such Person becoming a Subsidiary of the Company;

(3) Debt owed to the Company or any Subsidiary of the Company;

(4) Debt created, incurred, assumed or guaranteed to pay or finance all or part of the cost of acquisition, construction, development or improvement of Property; *provided* that any such Debt shall have been created, incurred, issued, assumed or guaranteed no later than one year after the later of (a) the completion of the acquisition, construction, development or improvement of such Property or (b) the placing in operation of such Property; *provided, further*, that the outstanding amount of such Debt, without duplication, does not exceed 100% of the fair value of the property or equipment acquired or developed, operated, constructed, altered, repaired or improved at the time such Debt is incurred;

(5) reimbursement obligations incurred in the ordinary course of business;

(6) client advances and deposits received in the ordinary course of business; and

(7) Debt outstanding on the Issue Date or any extension, renewal, replacement or refunding of any Debt (or any guarantee thereof) existing on the Issue Date or referred to in clauses (1), (2) or (4)

above; *provided* that any such extension, renewal, replacement or refunding of such Debt (or any guarantee thereof) shall be created within one year of repaying the Debt (or any guarantee thereof) referred to in clauses (1), (2) or (4) above and the principal amount of the Debt (or any guarantee thereof) secured thereby and not otherwise authorized by clauses (1), (2) or (4) above shall not exceed the principal amount of Debt (or any guarantee thereof), plus any premium or fee payable in connection with any such extension, renewal, replacement or refunding, so secured at the time of such extension, renewal, replacement or refunding.

(c) Notwithstanding the restrictions described in Section 4.12(b), any Subsidiary of the Company may create, assume, incur, guarantee or otherwise become liable for Debt that would otherwise be subject to the restrictions set forth in the preceding paragraph, without guaranteeing the Notes, if, at the time of such creation, assumption, incurrence, guarantee or creation of such liability, after giving effect thereto and to the retirement of any Debt which is concurrently being retired,

(1) the aggregate amount of all Debt which would otherwise be subject to such restrictions (other than any Debt (or any guarantee thereof) permitted as described in clauses (1)–(7) of Section 4.12(b)), *plus*

(2) the aggregate principal amount of Debt secured by Liens on Properties then outstanding (not including any such Debt secured by Liens described in clauses (1)–(11) of Section 4.08(b)) that are not equally and ratably secured with the outstanding Notes (or secured on a basis junior to the outstanding Notes), *plus*

(3) all Attributable Debt of the Company and the Subsidiaries of the Company in respect of Sale/Leaseback Transactions with respect to Properties (with the exception of such transactions that are permitted under clauses (1)–(4) of Section 4.11),

would not exceed 15.0% of the Consolidated Net Tangible Assets of the Company as most recently determined on or prior to such date; *provided, however*, the amount of Debt incurred under Section 4.12(c)(1) would not exceed 5.0% of the Consolidated Net Tangible Assets of the Company as most recently determined on or prior to such date.

ARTICLE 5

SUCCESSORS

SECTION 5.01 Amalgamation, Merger, Consolidation or Sale of All or Substantially All Assets.

(a) The Company may not (i) amalgamate, consolidate with or merge into any other entity or (ii) convey, transfer or lease all or substantially all of the Properties of the Company and its Subsidiaries taken as a whole, *unless*:

(1) the Company is the successor entity, or the successor or transferee entity, if other than the Company, is a Person (if such Person is not a corporation, then such successor or transferee shall include a corporate co-issuer) organized and existing under the laws of the United States, any state thereof or the District of Columbia (except if the Company determines in good faith that such requirement is not in the best interests of the Company and its Subsidiaries or that complying with such requirement would not be advisable for tax planning purposes or to improve tax efficiencies) and expressly assumes by a supplemental indenture executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, the due and punctual payment of the principal of, any premium on and any interest on all the outstanding Notes and the performance of every covenant and obligation in this Indenture to be performed or observed by the Company;

(2) immediately after giving effect to the transaction, no Event of Default, as defined in this Indenture, and no event which, after notice or lapse of time or both, would become an Event of Default, has happened and is continuing; and

(3) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each in the form required by this Indenture and stating that such amalgamation, consolidation, merger, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with the foregoing provisions relating to such transaction, and constitutes the legal, valid and binding obligation of the Company or successor entity, as applicable, subject to customary exceptions.

In case of any such amalgamation, consolidation, merger, conveyance or transfer (but not lease), the successor entity will succeed to and be substituted for the Company as obligor on the Notes with the same effect as if it had been named in this Indenture as the Company.

(b) No Guarantor may amalgamate, consolidate with or merge into any other entity, *unless*:

(1) the Company or a Guarantor is the successor entity or the successor or transferee entity, if not a Guarantor prior to such consolidation or merger, shall be a Person organized and existing under the laws of the jurisdiction under which such Guarantor was organized or under the laws of the United States, any state thereof or the District of Columbia, and expressly assumes, by a supplemental indenture, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, all the obligations of such Guarantor under its Guarantee; *provided, however*, that the foregoing shall not apply in the case of a Guarantor (x) that has been, or will be as a result of the subject transaction, disposed of in its entirety to another Person (other than to the Company or an Affiliate of the Company), whether through an amalgamation, merger or consolidation or (y) that, as a result of the disposition of all or a portion of its Capital Stock, ceases to be a Subsidiary;

(2) immediately after giving effect to the transaction, no Event of Default, as defined in this Indenture, and no event which, after notice or lapse of time or both, would become an Event of Default, has happened and is continuing; and

(3) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each in the form required by this Indenture and stating that such amalgamation, consolidation or merger and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with the foregoing provisions relating to such transaction and constitutes the legal, valid and binding obligation of the Guarantor or successor entity, as applicable, subject to customary exceptions.

(c) Notwithstanding clauses (a) and (b) above, this Section 5.01 will not apply to a merger, amalgamation, transfer or conveyance or other disposition of assets between or among the Company and the Guarantors.

SECTION 5.02 Successor Entity Substituted.

Upon any amalgamation, consolidation, merger, conveyance, transfer or lease of the properties and assets as an entirety of the Company or a Guarantor in accordance with Section 5.01, the Company and a Guarantor, as the case may be, will be released from its obligations under this Indenture and the Notes or its Guarantee, as the case may be, and the successor company and the successor Guarantor, as the case may be, will succeed to, and be substituted for, and may exercise every right and power of, the Company or a Guarantor, as the case may be, under this Indenture and the Notes and such Guarantee; *provided* that, in the case of a lease of all or substantially all its assets, the Company will not be released from the obligation to pay the principal of, premium (if any) and interest on, the Notes and a Guarantor will not be released from its obligations under its Guarantee.

DEFAULTS AND REMEDIES

SECTION 6.01 Events of Default.

(a) Each of the following is an “Event of Default”:

- (1) a default in the payment of interest on the Notes when due, continued for 30 days;
- (2) a default in the payment of principal of or premium, if any, on the Notes when due at its Stated Maturity, upon redemption, upon required purchase, upon declaration of acceleration or otherwise;
- (3) the failure by the Company or any Guarantor to comply with its obligations under Section 5.01;
- (4) the failure by the Company or any Guarantor, as the case may be, to comply for 45 days after notice with any of its obligations in the covenants described above under Section 4.10 (other than a failure to purchase Notes) or under Sections 4.08, 4.09, 4.11 or 4.12;
- (5) the failure by the Company to comply for 60 days after notice with any of its obligations in the covenant described above under Section 4.06;
- (6) the failure by the Company or any Guarantor to comply for 60 days after notice with its other agreements contained in this Indenture;
- (7) Debt of the Company, any Guarantor or any Significant Subsidiary is not paid within any applicable grace period after final maturity or is accelerated by the holders thereof because of a default and the total amount of such Debt unpaid or accelerated exceeds \$50.0 million (the “*cross acceleration provision*”);
- (8)
 - (i) the Company or a Significant Subsidiary, pursuant to or within the meaning of any Bankruptcy Law:
 - (A) commences voluntary proceedings to be adjudicated bankrupt or insolvent;
 - (B) consents to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking an arrangement of debt, reorganization, dissolution, winding up or relief under applicable Bankruptcy Law;
 - (C) consents to the appointment of a receiver, interim receiver, receiver and manager, liquidator, assignee, trustee, sequestrator or other similar official of it or for all or substantially all of its property; or
 - (D) makes a general assignment for the benefit of its creditors.
 - (ii) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
 - (A) is for relief against the Company or any Significant Subsidiary in a proceeding in which the Company or any Significant Subsidiary, is to be adjudicated bankrupt or insolvent;
 - (B) appoints a receiver, interim receiver, receiver and manager, liquidator, assignee, trustee, sequestrator or other similar official of the Company or any Significant Subsidiary, or for all or substantially all of the property of the Company or any Significant Subsidiary; or

(10) a Guarantee ceases to be in full force and effect (other than in accordance with the terms of such Guarantee) or a Guarantor denies or disaffirms its obligations under its Guarantee.

However, a default under clauses (4), (5), (6) and (9) of this Section 6.01 will not constitute an Event of Default until the Trustee or the holders of 25% in principal amount of the outstanding Notes notify the Company (with a copy to the Trustee if given by the holders) of the default and the Company does not cure such default within the time specified after receipt of such notice. In the event of any Event of Default specified under clause (7), such Event of Default and all consequences thereof (excluding any resulting payment default, other than as a result of acceleration of Notes) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the holders, if within 30 days after such Event of Default arose: (a) holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (b) the default that is the basis for such Event of Default has been cured.

SECTION 6.02 Acceleration.

(a) If an Event of Default occurs and is continuing, the Trustee or the holders of at least 25% in principal amount of the outstanding Notes may by written notice to the Company (and to the Trustee if notice is given by the holders) declare the principal of and accrued but unpaid interest, if any, and premium, if any, on all the Notes to be due and payable. Upon such declaration, such principal, interest and premium, if any, shall be due and payable immediately. If an Event of Default under Section 6.01(a)(8) hereof occurs and is continuing, the principal of and interest (and premium, if any) on all the Notes will *ipso facto* become and be immediately due and payable without any declaration or other act on the part of the Trustee or any holders of the Notes. The holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee on behalf of all of the holders rescind an acceleration may rescind any such acceleration with respect to the Notes and its consequences.

(b) Subject to Article 7, in case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any of the holders of the Notes unless such holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense and then only to the extent required by the terms of this Indenture.

SECTION 6.03 Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

SECTION 6.04 Waiver of Past Defaults.

The holders of a majority in principal amount of the outstanding Notes by written notice to the Trustee may on behalf of all holders waive any existing Default and its consequences hereunder, except:

- (1) a continuing Default in the payment of the principal of, or premium (if any) or interest on, any Note held by a non-consenting holder; and
- (2) a Default with respect to a provision that under Section 9.02 cannot be amended without the consent of each holder affected,

provided that, subject to Section 6.06, the holders of a majority in principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

SECTION 6.05 Control by Majority.

The holders of a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other holder of a Note (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not any such directions are unduly prejudicial to such holders) or that would involve the Trustee in personal liability.

SECTION 6.06 Limitation on Suits.

Subject to Section 6.07, no holder shall have any right to pursue any remedy with respect to this Indenture or the Notes *unless*:

- (1) such holder has previously given the Trustee notice that an Event of Default is continuing;
- (2) holders of at least 25% in aggregate principal amount of the then outstanding Notes have requested the Trustee to pursue the remedy;
- (3) such holders have offered the Trustee security, indemnity or prefunding satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and
- (5) holders of a majority in aggregate principal amount of the then outstanding Notes have not given the Trustee a written direction inconsistent with such request within such 60-day period.

A holder may not use this Indenture to prejudice the rights of another holder or to obtain a preference or priority over another holder.

However, such limitations shall not apply to a suit instituted by a holder of any Note for enforcement of payment of the principal of, or premium (if any) or interest on, such Note on or after the due date therefor (after giving effect to the grace period specified in clauses (1) or (2) of 6.01(a)).

SECTION 6.07 Rights of Holders to Institute Certain Suits.

Notwithstanding any other provision of this Indenture and any provision of any Note, the right of any holder to receive payment of principal of, or premium (if any) and interest on, its Note, on or after the respective due dates expressed or provided for in such Note, or upon redemption, by declaration, repayment or otherwise, or to institute suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such holder.

SECTION 6.08 Collection Suit by Trustee.

If an Event of Default specified in Section 6.01(a)(1) or (2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company and any other obligor on the Notes for the whole amount of principal, premium (if any) and interest remaining unpaid on the Notes, together with interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable fees and expenses of the Trustee and its agents and counsel.

SECTION 6.09 Restoration of Rights and Remedies.

If the Trustee or any holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such holder, then and in every such case, subject to any determination in such proceedings, the Company, the Guarantors, the Trustee and the holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Company, Guarantors, Trustee and the holders shall continue as though no such proceeding has been instituted.

SECTION 6.10 Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07, no right or remedy herein conferred upon or reserved to the Trustee or to the holders is intended to be exclusive of any other right or remedy, and every right and remedy are, to the extent permitted by law, cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.11 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 6 or by law to the Trustee or to the holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the holders, as the case may be.

SECTION 6.12 Trustee May File Proofs of Claim.

The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes, including the Guarantors), its creditors or its Property and is entitled and empowered to participate as a member in any official committee of creditors appointed in such matter and to collect, receive and distribute any money or other property payable or deliverable on any such claims. Any custodian in any such judicial proceeding is hereby authorized by each holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the holders, to pay to the Trustee any amount due to it for the reasonable fees and expenses of the Trustee and its agents and counsel, and any other amounts due the Trustee under Section 7.07. To the extent that

the payment of any such fees and expenses of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any holder, or to authorize the Trustee to vote in respect of the claim of any holder in any such proceeding.

SECTION 6.13 Priorities.

Any money or Property collected by the Trustee pursuant to this Article 6, and after an Event of Default any money or other Property distributable in respect of the Company's or Guarantors' obligations under this Indenture, shall be paid or distributed in the following order:

- (1) to the Trustee (including any predecessor Trustee) and its agents and attorneys for amounts due under Section 7.07, including payment of all reasonable compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;
- (2) to holders for amounts due and unpaid on the Notes for principal, premium (if any) and interest ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium (if any) and interest, respectively; and
- (3) to the Company or to such party as a court of competent jurisdiction shall direct, including a Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to holders pursuant to this Section 6.13. Promptly after any record date is set pursuant to this Section 6.13, the Trustee shall cause notice of such record date and payment date to be given to the Company and to each holder in the manner set forth in Section 12.02.

SECTION 6.14 Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in such suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a holder pursuant to Section 6.07, or a suit by a holder or holders of more than 10% in aggregate principal amount of the outstanding Notes.

ARTICLE 7

TRUSTEE

SECTION 7.01 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and

no others, and no implied covenants or obligations shall be implied in this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates (including officer's certificates) or opinions (including Opinions of Counsel) furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of any mathematical calculations or other facts stated therein).

(c) Notwithstanding anything herein to the contrary, the Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) This paragraph does not limit the effect of Section 7.01(b); and

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law. The permissive rights or powers of the Trustee to do things enumerated in this Indenture shall not be construed as a duty of the Trustee.

SECTION 7.02 Rights of Trustee.

Subject to Section 7.01:

(a) In the absence of bad faith on its part, the Trustee may conclusively rely upon any document (whether in its original or facsimile form) believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine in good faith to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both, subject to the other provisions of this Indenture. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company or a Guarantor shall be sufficient if signed by an Officer of the Company or such Guarantor.

(f) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

(g) The Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice by the Company or by the holders of at least 25% of the aggregate principal amount of the Notes of any event which is in fact such a Default is received by the Trustee, and such notice references the existence of a Default or Event of Default, the Notes and this Indenture.

(h) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be compensated, reimbursed and indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(j) The Trustee may request that the Company deliver an Officer's Certificate setting forth the names of individuals or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(k) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(l) The Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any of the holders of the Notes unless such holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense and then only to the extent required by the terms of this Indenture.

SECTION 7.03 Individual Rights of Trustee.

The Trustee or any Agent in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee or such Agent. However, in the event that the Trustee acquires any conflicting interest within the meaning of Trust Indenture Act Section 310(b) it must eliminate such conflict within 90 days or resign. Any Agent may do the same with like rights and duties.

SECTION 7.04 Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes or the Guarantees, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or in the Offering Memorandum or any other document in connection with the sale of the Notes or pursuant to this Indenture

other than its certificate of authentication on the Notes. Under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Notes.

SECTION 7.05 Notice of Defaults.

If a Default or Event of Default occurs and is continuing and is known to a Responsible Officer of the Trustee, the Trustee will mail (or deliver by electronic transmission in accordance with the applicable procedures of DTC) to each holder a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or an Event of Default specified in clauses (1) or (2) of Section 6.01(a), the Trustee may withhold notice if in good faith the Trustee determines that withholding notice is in the interest of the holders of the Notes.

SECTION 7.06 Reports by Trustee to Holders of the Notes.

(a) Within 60 days after each May 15, beginning in 2019, and for so long as Notes remain outstanding, the Trustee shall mail (or deliver by electronic transmission in accordance with the applicable procedures of DTC) to the holders of the Notes a brief report dated as of such reporting date that complies with Trust Indenture Act Section 313(a) (but if no event described in Trust Indenture Act Section 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with Trust Indenture Act Section 313(b)(2). The Trustee shall also transmit by mail all reports as required by Trust Indenture Act Section 313(c).

(b) A copy of each report at the time of its mailing to the holders shall be mailed to the Company in accordance with Trust Indenture Act Section 313(d). The Company shall promptly notify the Trustee in writing in the event the Notes are listed on any national securities exchange or delisted therefrom.

SECTION 7.07 Compensation and Indemnity.

(a) The Company and the Guarantors, jointly and severally, shall pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as the parties shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee promptly upon request for all reasonable fees and expenses incurred by it in connection with performing its duties hereunder, in addition to the compensation for its services. Such expenses shall include the reasonable fees and expenses of the Trustee's agents and counsel. The Trustee shall provide the Company reasonable notice of such fees and expenses.

(b) The Company and the Guarantors, jointly and severally, shall indemnify the Trustee for, and hold each of the Trustee and any predecessor harmless against, any and all loss, damage, claims, liability or expense (including attorneys' fees and expenses) incurred by it without negligence or willful misconduct on its part in connection with the acceptance or administration of this trust and the performance of its duties hereunder (including the costs and expenses of enforcing this Indenture against the Company or any Guarantor (including this Section 7.07)) or defending itself against any claim made in connection with the performance of its duties hereunder whether asserted by any holder, the Company or any Guarantor, or liability in connection with the acceptance, exercise or performance of any of its powers or duties hereunder). The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company need not reimburse any expense or indemnify against any loss, liability or expense determined to have been caused by the Trustee through the Trustee's own willful misconduct or negligence.

(c) The obligations of the Company and the Guarantors under this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee.

(d) To secure the payment obligations of the Company and the Guarantors in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal of, and premium (if any) and interest on, particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture and resignation or removal of the Trustee.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(a)(8) occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

(f) "Trustee" for the purposes of this Section 7.07 shall include any predecessor Trustee and the Trustee in each of its capacities hereunder and each agent, custodian and other person employed to act hereunder; *provided, however*, that the negligence or willful misconduct of any Trustee hereunder shall not affect the rights of any other Trustee hereunder.

SECTION 7.08 Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08. The Trustee may resign in writing at any time by giving 30 days' prior notice of such resignation to the Company and be discharged from the trust hereby created by so notifying the Company. The holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (3) a receiver or public officer takes charge of the Trustee or its property; or
- (4) the Trustee becomes incapable of acting.

(b) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the holders of a majority in aggregate principal amount of the then outstanding Notes may remove the successor Trustee to replace it with another successor Trustee appointed by the Company.

(c) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Company's expense), the Company or the holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(d) If the Trustee, after written request by any holder who has been a holder for at least six months, fails to comply with Section 7.10, such holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail (or deliver by electronic transmission in accordance with the applicable procedures of DTC) a notice of its succession to holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; *provided* that all sums owing to the Trustee hereunder have been paid and such transfer shall be subject to the Lien provided for in Section 7.07. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

(f) As used in this Section 7.08, the term "Trustee" shall also include each Agent.

SECTION 7.09 Successor Trustee by Merger, etc.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation or national banking association, the successor corporation or national banking association without any further act shall be the successor Trustee, subject to Section 7.10.

SECTION 7.10 Eligibility; Disqualification.

(a) The Trustee shall at all times satisfy with the requirements of TIA Section 310(a). There shall at all times be a Trustee hereunder that is a corporation or national banking association organized and doing business under the laws of the United States or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition.

(b) The Trustee shall comply with Trust Indenture Act Section 310(b).

ARTICLE 8

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

SECTION 8.01 Option to Effect Legal Defeasance or Covenant Defeasance.

The Company may, at its option and at any time, elect to have either Section 8.02 or Section 8.03 applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

SECTION 8.02 Legal Defeasance and Discharge.

(a) Upon the Company's exercise under Section 8.01 of the option applicable to this Section 8.02, the Company and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04, be deemed to have been discharged from their obligations with respect to this Indenture, all outstanding Notes and Guarantees on the date the conditions set forth below are satisfied ("*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company shall be deemed to have paid and discharged the entire Debt represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 and the other Sections of this Indenture referred to in clauses (1) through (4) below, and to have satisfied all of its other obligations under such Notes and this Indenture, including that of the Guarantors under their Guarantees (and the Trustee, at the request of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- (1) the rights of holders to receive payments in respect of the principal of, and premium (if any) and interest on, the Notes when such payments are due, solely out of the trust referred to in Section 8.04;
- (2) the Company's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for Note payments held in trust;
- (3) the rights, powers, trusts, duties and immunities of the Trustee, and the Company's obligations in connection therewith; and
- (4) this Section 8.02.

(b) If the Company exercises its Legal Defeasance option, payment of the Notes may not be accelerated because of an Event of Default with respect to the Notes.

(c) Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding its prior exercise of its option under Section 8.03.

SECTION 8.03 Covenant Defeasance.

Upon the Company's exercise under Section 8.01 of the option applicable to this Section 8.03, the Company and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04, be released from their obligations under the covenants contained in Sections 4.03, 4.05, 4.06, 4.07, 4.08, 4.09, 4.10, 4.11 and 4.12, and the Guarantors shall be deemed to have been discharged from their obligations with respect to all Guarantees, on and after the date the conditions set forth in Section 8.04 are satisfied ("*Covenant Defeasance*"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to this Indenture and the outstanding Notes, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. If the Company exercises its Covenant Defeasance option, an Event of Default specified in Section 6.01(a)(4), 6.01(a)(5), 6.01(a)(6) (only with respect to covenants that are released as a result of such Covenant Defeasance), 6.01(a)(7), 6.01(a)(8) (solely with respect to Significant Subsidiaries), Section 6.01(a)(9) or 6.01(a)(10), in each case, shall not constitute an Event of Default.

SECTION 8.04 Conditions to Legal or Covenant Defeasance.

(a) The following shall be the conditions to the exercise of either the Legal Defeasance option under Section 8.02 or the Covenant Defeasance option under Section 8.03 with respect to the Notes:

(1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the holders, cash in U.S. dollars, Government Securities, or a combination thereof, in amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, a nationally recognized investment bank or a nationally recognized appraisal or valuation firm delivered to the Trustee, without consideration of any reinvestment of interest, to pay the principal of, and premium (if any) and interest on, the outstanding Notes on the Stated Maturity or on the applicable redemption date, as the case may be, and the Company must specify whether the Notes are being defeased to maturity or to a particular redemption date;

(2) in the case of Legal Defeasance, the Company has delivered to the Trustee an Opinion of Counsel confirming that, subject to customary assumptions and exclusions,

(A) the Company has received from, or there has been published by, the U.S. Internal Revenue Service a ruling, or

(B) since the Issue Date, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel will confirm that the beneficial owners will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Company has delivered to the Trustee an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, the beneficial owners will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default has occurred and is continuing on the date of such deposit or will occur as a result of such deposit (other than a Default or an Event of Default resulting from the borrowing of funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Debt and, in each case, the granting of Liens in connection therewith) and the deposit will not result in a breach or violation of, or constitute a default under, the Credit Agreement or any other material agreement or material debt instrument (other than this Indenture) to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(5) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions), each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with; and

(6) the Company has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at maturity or the redemption date, as the case may be.

SECTION 8.05 Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions.

(a) Subject to Section 8.06, all money and Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to Section 8.04 in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company or a Guarantor acting as Paying Agent) as the Trustee may determine, to the holders of all sums due and to become due thereon in respect of principal of, and premium (if any) and interest on, the Notes, but such money need not be segregated from other funds except to the extent required by law.

(b) Anything in this Article 8 to the contrary notwithstanding, the Trustee will deliver or pay to the Company from time to time upon the request of the Company any money or Government Securities held by it as provided in Section 8.04 which, in the opinion of a nationally recognized firm of independent public accountants, a nationally recognized investment bank or a nationally recognized appraisal or valuation firm expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a)), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.06 Repayment to the Company.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, or premium (if any) or interest on, any Note and remaining unclaimed for two years after such principal, premium (if any) or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company) shall be discharged from such trust; and the holder of such Note shall thereafter look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

SECTION 8.07 Reinstatement.

If and for so long as the Trustee or Paying Agent is unable to apply any U.S. dollars or Government Securities in accordance with Section 8.02 or Section 8.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and the Guarantors' obligations under this Indenture, the Notes and the Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or Section 8.03 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or Section 8.03, as the case may be; *provided* that, if the Company makes any payment of principal of, or premium (if any) or interest on, any Note following the reinstatement of its obligations, the Company shall be subrogated to the rights of the holders to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9

AMENDMENT, SUPPLEMENT AND WAIVER

SECTION 9.01 Without Consent of Holders.

(a) Notwithstanding Section 9.02, without the consent of any holder of the Notes, the Company, the Guarantors and Trustee may amend or supplement this Indenture:

- (1) to cure any ambiguity, omission, defect or inconsistency, as determined in good faith by the Company;
- (2) to provide for the assumption by a successor Person of the obligations of the Company or any Guarantor under this Indenture;
- (3) to provide for uncertificated Notes in addition to or in place of certificated Notes (*provided* that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code);
- (4) to add guarantees with respect to the Notes, including any Guarantees, or to secure the Notes;
- (5) to add to the covenants of the Company or any Subsidiary for the benefit of the holders of the Notes or to surrender any right or power conferred upon the Company or any Subsidiary;
- (6) to make any change that does not materially adversely affect the rights of any holder of the Notes, as determined in good faith by the Company;
- (7) to conform the text of this Indenture, Guarantees or the Notes to any provision of the "Description of Notes" section of the Offering Memorandum, to the extent that such provision in the "Description of Notes" section of the Offering Memorandum was intended to be a substantially verbatim recitation of a provision of this Indenture or the Notes;
- (8) to release a Guarantor from its Guarantee when permitted by the terms of this Indenture;
- (9) to provide for successor trustees or to add to or change any provisions to the extent necessary to appoint a separate trustee for the Notes; or
- (10) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of the Notes or, if incurred in compliance with this Indenture, Additional Notes; *provided, however*, that (a) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (b) such amendment does not materially and adversely affect the rights of holders to transfer Notes, as determined in good faith by the Company.

SECTION 9.02 With Consent of Holders.

Except as provided in Section 9.01 and this Section 9.02, this Indenture may be amended with the consent of the holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a tender offer or exchange offer for the Notes) and any past default or compliance with any provisions may also be waived with the consent of the holders of a majority in principal amount of the Notes then outstanding. However, without the consent of each holder of an outstanding Note affected thereby, an amendment or waiver may not, among other things:

- (1) reduce the amount of Notes whose holders must consent to an amendment;
- (2) reduce the rate of or extend the time for payment of interest on any Note;
- (3) reduce the principal of or extend the Stated Maturity of any Note;
- (4) change the optional redemption dates or prices or calculations from those described in Section 3.07;
- (5) make any Note payable in money other than that stated in the Note;
- (6) impair the right of any holder of the Notes to institute suit for the enforcement of any payment on or with respect to such holder's Notes after any Interest Payment Date, Stated Maturity or any redemption date, as applicable;
- (7) make any change in the amendment provisions which require each holder's consent or in the waiver provisions;
- (8) make any change in the ranking or priority of any Note or Guarantee that would adversely affect the noteholders; or
- (9) release any Guarantor from its Guarantee, except as provided for in this Indenture.

(b) The consent of the holders of the Notes is not necessary under this Indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment.

(c) After an amendment under this Indenture becomes effective, the Company is required to mail (or deliver by electronic transmission in accordance with the applicable procedures of DTC) to holders of the Notes a notice briefly describing such amendment. However, the failure to give such notice to all holders of the Notes, or any defect therein, will not impair or affect the validity of the amendment.

SECTION 9.03 [Reserved].

SECTION 9.04 Revocation and Effect of Consents.

(a) Until an amendment, supplement or waiver becomes effective, a consent to it by a holder of a Note is a continuing consent by the holder of a Note and every subsequent holder of a Note or portion of a Note that evidences the same debt as the consenting holder's Note, even if notation of the consent is not made on any Note. However, any such holder of a Note or subsequent holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms.

(b) After an amendment, supplement or waiver becomes effective, it will bind every holder unless it is of the type requiring the consent of each holder affected. If the amendment, supplement or waiver is of the type requiring the consent of each holder affected, the amendment, supplement or waiver will bind each holder that has consented to it and every subsequent holder of a Note that evidences the same debt as the Note of the consenting holder.

(c) The Company may, but shall not be obligated to, fix a record date pursuant to Section 1.04 for the purpose of determining the holders entitled to consent to any amendment, supplement or waiver.

SECTION 9.05 Notation on or Exchange of Notes.

(a) The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all outstanding Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

(b) Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.06 Trustee to Sign Amendments, etc.

Upon request of the Company, and if applicable upon the filing with the Trustee of evidence of the consent of holders, the trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee. In executing any amendment, supplement or waiver, the Trustee shall receive and (subject to Section 7.01) shall be fully protected in relying upon, in addition to the documents required by Section 12.04, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amendment, supplement or waiver is authorized or permitted by this Indenture, subject to customary exceptions, and complies with the provisions hereof and an Opinion of Counsel stating that such amendment, supplement or waiver is the legal, valid and binding obligation of the Company and any Guarantor party thereto, enforceable against them in accordance with its terms, subject to customary exceptions. The Trustee may, but is not obligated to, execute any amendment, supplement or waiver that affects the Trustee's own rights, duties or immunities under the Indenture.

ARTICLE 10

GUARANTEES

SECTION 10.01 Guarantee.

(a) Subject to this Article 10, each of the Guarantors hereby, jointly and severally, irrevocably and unconditionally guarantees, on a senior unsecured basis, to each holder and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that: (1) the principal of, and premium (if any) and interest on, the Notes shall be promptly paid in full when due, whether at Stated Maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, and premium (if any) and interest on, the Notes, if any, if lawful, and all other obligations of the Company to the holders or the Trustee hereunder or under the Notes shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise collectively, the "*Guaranteed Obligations*". Failing payment by the Company when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives the benefit of diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that this Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture, or pursuant to Section 10.06.

(c) Each Guarantor's obligations hereunder will remain in full force and effect until the principal of, and premium (if any) and interest on, the Notes and all other amounts payable by the Company under the Indenture have been paid in full. If at any time any payment of the principal of, or premium (if any) or interest on, any Note or any other amount payable by the Company under the Indenture is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy or reorganization of the Company or otherwise, each Guarantor's obligations hereunder with respect to such payment will be reinstated as though such payment had been due but not made at such time.

(d) Each of the Guarantors also agrees, jointly and severally, to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or any holder in enforcing any rights under this Section 10.01.

(e) If any holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to the Company or the Guarantors, any amount paid either to the Trustee or such holder, such Guarantor's Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(f) Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Guarantee. Each Guarantor that makes a payment under its Guarantee will be entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

(g) Each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Company for liquidation or reorganization, should the Company become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Company's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or the Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(h) In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(i) Each payment to be made by a Guarantor in respect of its Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

SECTION 10.02 Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent conveyance or a fraudulent transfer for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its

Guarantee not constituting a fraudulent conveyance or fraudulent transfer under Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law. Each Guarantor that makes a payment under its Guarantee will be entitled upon payment in full of all Guaranteed Obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment, determined in accordance with GAAP.

SECTION 10.03 Execution and Delivery.

(a) To evidence its Guarantee set forth in Section 10.01, each Guarantor hereby agrees that this Indenture (or a supplemental indenture in the form of Exhibit C hereto) shall be executed on behalf of such Guarantor by an Officer or person holding an equivalent title.

(b) Each Guarantor hereby agrees that its Guarantee set forth in Section 10.01 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

(c) If an Officer of a Guarantor whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, such Guarantor's Guarantees shall be valid nevertheless.

(d) The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

SECTION 10.04 Waiver of Subrogation.

Until this Indenture is discharged and all of the Notes are discharged and paid in full, each Guarantor hereby irrevocably waives and agrees not to exercise any claim or other rights which it may now or hereafter acquire against the Company that arise from the existence, payment, performance or enforcement of the Company's obligations under the Notes or this Indenture and such Guarantor's obligations under the Guarantee and this Indenture, in any such instance including, without limitation, any right of subrogation, reimbursement, exoneration, contribution, indemnification, and any right to participate in any claim or remedy of the holders against the Company, whether or not such claim, remedy or right arises in equity, or under contract, statute or common law, including, without limitation, the right to take or receive from the Company, directly or indirectly, in cash or other assets or by set-off or in any other manner, payment or security on account of such claim or other rights. If any amount shall be paid to any Guarantor in violation of the preceding sentence and any amounts owing to the Trustee or the holders of Notes under the Notes, this Indenture, or any other document or instrument delivered under or in connection with such agreements or instruments, shall not have been paid in full, such amount shall have been deemed to have been paid to such Guarantor for the benefit of, and held in trust for the benefit of, the Trustee or the holders and shall forthwith be paid to the Trustee for the benefit of itself or such holders to be credited and applied to the obligations in favor of the Trustee or the holders, as the case may be, whether matured or unmatured, in accordance with the terms of this Indenture.

SECTION 10.05 Benefits Acknowledged.

Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Guarantee are knowingly made in contemplation of such benefits.

SECTION 10.06 Release of Guarantees.

(a) The Guarantee of a Guarantor will be automatically released:

(1) upon the sale or other disposition (including by way of consolidation or merger) of all of the Capital Stock, or all or substantially all of the assets, of such Guarantor to a Person that is not the Company or a Subsidiary of the Company;

(2) at any such time that such Guarantor ceases to be a Significant Domestic Subsidiary; or

(3) upon (x) the defeasance of the Notes, as provided under Article 8 or (y) the discharge of such Guarantor's obligations under this Indenture in accordance with the terms of this Indenture, as provided under Article 11.

(b) If the Guarantee of any Guarantor is deemed to be released or is automatically released, the Company shall deliver to the Trustee an Officer's Certificate stating the identity of the released Guarantor, the basis for release in reasonable detail, and that such release complies with this Indenture. At the written request of the Company, and upon delivery to the Trustee of an Officer's Certificate and an Opinion of Counsel, which may be subject to customary exceptions and qualifications, each stating that all conditions provided for in this Indenture to the release of such Guarantor have been complied with, the Trustee shall execute and deliver any documents reasonably required in order to evidence such release, discharge and termination in respect of the applicable Guarantee (it being understood that the failure to obtain any such instrument shall not impair any automatic release pursuant to Section 10.06(a)).

ARTICLE 11

SATISFACTION AND DISCHARGE

SECTION 11.01 Satisfaction and Discharge.

(a) This Indenture will be discharged, and will cease to be of further effect as to all Notes issued hereunder, when either:

(1) all Notes that have been authenticated and delivered (except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust) have been delivered to the Trustee for cancellation; or

(2) (A) all Notes not theretofore delivered to the Trustee for cancellation have become due and payable by reason of the giving of a notice of redemption or otherwise, will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company, and the Company or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee, as trust funds in trust solely for the benefit of the holders, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, a nationally recognized investment bank or a nationally recognized appraisal or valuation firm delivered to the Trustee if Government Securities are delivered, without consideration of any reinvestment of interest, to pay and discharge the entire Debt on the Notes not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption, as the case may be;

(B) no Default or Event of Default has occurred and is continuing on the date of such deposit or will occur as a result of such deposit (other than a Default or an Event of Default resulting from the borrowing of funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Debt and, in each case, the granting of Liens in connection therewith);

(C) the Company or any Guarantor has paid or caused to be paid all sums payable by the Company under this Indenture; and

(D) the Company has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at maturity or the redemption date, as the case may be.

(b) In addition, the Company shall deliver to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each stating that all

conditions precedent to satisfaction and discharge have been satisfied. Notwithstanding the satisfaction and discharge of this Indenture, the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Company's and Guarantors' obligations in connection therewith shall survive, and if money shall have been deposited with the Trustee pursuant to Section 11.01(a)(2)(A), the provisions of Section 11.02 and Section 8.06 shall survive.

SECTION 11.02 Application of Trust Money.

(a) Subject to the provisions of Section 8.06, all money deposited with the Trustee pursuant to Section 11.01 shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium (if any) and interest for whose payment such money has been deposited with the Trustee, but such money need not be segregated from other funds except to the extent required by law.

(b) If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and any Guarantor's obligations under this Indenture, the Notes and the Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01; *provided* that if the Company has made any payment of principal of, or premium (if any) or interest on, any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent, as the case may be.

Any portion of a Global Note transferred pursuant to this Section 2.3 shall be executed, authenticated and delivered only in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof and registered in such names as the Depositary shall direct. The undersigned represents and warrants to you that:

1. We are an institutional “accredited investor” (as defined in Rule 501(a)(1), (2), (3) or (7) under the Securities Act of 1933, as amended (the “Securities Act”)), purchasing for our own account or for the account of such an institutional “accredited investor” at least \$250,000 principal amount of the Notes, and we are acquiring the Notes, for investment purposes and not with a view to, or for offer or sale in connection with, any distribution in violation of the Securities Act. We have such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of our investment in the Notes, and we invest in or purchase securities similar to the Notes in the normal course of our business. We, and any accounts for which we are acting, are each able to bear the economic risk of our or its investment.
2. We understand that the Notes have not been registered under the Securities Act and, unless so registered, may not be sold except as permitted in the following sentence. We agree on our own behalf and on behalf of any investor account for which we are purchasing Notes to offer, sell or otherwise transfer such Notes prior to the date that is one year after the later of the date of original issue and the last date on which the Company or any affiliate of the Company was the owner of such Notes (or any predecessor thereto) (the “Resale Restriction Termination Date”) only in accordance with the Restricted Notes Legend (as such term is defined in the indenture under which the Notes were issued) on the Notes

and any applicable securities laws of any state of the United States. The foregoing restrictions on resale will not apply subsequent to the Resale Restriction Termination Date. If any resale or other transfer of the Notes is proposed to be made pursuant to clause (e) above prior to the Resale Restriction Termination Date, the transferor shall deliver a letter from the transferee substantially in the form of this letter to the Company and the Trustee, which shall provide, among other things, that the transferee is an institutional "accredited investor" within the meaning of Rule 501(a)(1), (2), (3) or (7) under the Securities Act and that it is acquiring such Notes for investment purposes and not for distribution in violation of the Securities Act. Each purchaser acknowledges that the Company and the Trustee reserve the right prior to the offer, sale or other transfer prior to the Resale Restriction Termination Date of the Notes with respect to applicable transfers described in the Restricted Notes Legend to require the delivery of an opinion of counsel, certifications and/or other information satisfactory to the Company and the Trustee.

B. The Borrower has requested an amendment to the Credit Agreement as set forth below.

C. On the terms and subject to the conditions set forth in this Amendment, the Lenders are willing to agree to such amendment.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. **Effectiveness.** The effectiveness of the provisions of Section 2 of this Amendment are subject to the satisfaction of the conditions further described in Section 3 of this Amendment.

2. **Amendment.**

(a) Schedule 1.1(A) of the Credit Agreement is hereby amended and restated in its entirety with Schedule 1.1(A) attached hereto as Annex A.

(b) The outstanding Revolving Loans, L/C Commitments and Swing Line Commitments will be reallocated by the Administrative Agent on the Third Amendment Effective Date among the Lenders party hereto in accordance with their revised Percentages set forth on Schedule 1.1(A). Each Lender agrees to make all payments and adjustments necessary to effect such reallocation and the Borrower agrees that it shall pay all costs pursuant to Section 2.16 of the Credit Agreement incurred in connection with the reallocation.

(c) The definition of “ABR” in Section 1.1 of the Credit Agreement is hereby amended and restated in its entirety as follows:

“ABR”: for any day, a rate per annum equal to the greatest of (a) the Base Rate in effect on such day, (b) the Federal Funds Effective Rate in effect on such day plus 1/2 of 1% and (c) the One Month Eurodollar Rate plus 1%. For purposes hereof, “Base Rate” shall mean the rate of interest per annum

(rounded upwards, if necessary, to the next 1/100 of 1%) publicly announced from time to time by the Administrative Agent as its base rate in effect at its principal office in San Francisco, California (the Base Rate not being intended to be the lowest rate of interest charged by the Administrative Agent in connection with extensions of credit to debtors). For purposes hereof, “One Month Eurodollar Rate” shall mean, subject to the implementation of a Replacement Rate in accordance with Section 2.12(c), with respect to any interest rate calculation for a Loan or other Obligation bearing interest at ABR, a rate per annum equal to the quotient of (i) the rate per annum as published by the ICE Benchmark Administration Limited, a United Kingdom company, or a comparable or successor quoting service approved by the Administrative Agent, on the applicable day (*provided* that if such day is not a Business Day for which such rate is quoted, the next preceding Business Day for which such rate is quoted) at or about 11:00 a.m., London time (or as soon thereafter as practicable), for Dollar deposits being delivered in the London interbank eurodollar currency market for a term of one month commencing on such date of determination, divided by (ii) one minus the Eurocurrency Reserve Requirement in effect on such day. If for any reason rates are not available as provided in clause (i) of the preceding sentence, the rate to be used in clause (i) shall be, at the Administrative Agent’s discretion (in each case, rounded upward if necessary to the next 1/100 of one percent), (A) the rate per annum at which Dollar deposits are offered to the Administrative Agent in the London interbank eurodollar currency market or (B) the rate at which Dollar deposits are offered to the Administrative Agent in, or by the Administrative Agent to major banks in, any offshore interbank eurodollar market selected by the Administrative Agent, in each case on the applicable day (*provided* that if such day is not a Business Day for which Dollar deposits are offered to the Administrative Agent in the London or such offshore interbank eurodollar currency market, the next preceding Business Day for which Dollar deposits are offered to the Administrative Agent in the London or such offshore interbank eurodollar currency market) at or about 11:00 a.m., London time (or as soon thereafter as practicable) (for delivery on such date of determination) for a one month term. Any change in the ABR due to a change in the Base Rate, the Federal Funds Effective Rate or the One Month Eurodollar Rate shall be effective as of the opening of business on the effective day of such change in the Base Rate, the Federal Funds Effective Rate or the One Month Eurodollar Rate, respectively.

Each calculation by the Administrative Agent of the ABR shall be conclusive and binding for all purposes, absent manifest error.

Notwithstanding the foregoing, (x) in no event shall the One Month Eurodollar Base Rate (including, without limitation, any Replacement Rate with respect thereto) be less than 0% and (y) unless otherwise specified in any amendment to this Agreement entered into in accordance with Section 2.12(c),

in the event that a Replacement Rate with respect to the One Month Eurodollar Base Rate is implemented, then all references herein to One Month Eurodollar Base Rate shall be deemed references to such Replacement Rate.

(d) The definition of “Defaulting Lender” in Section 1.1 of the Credit Agreement is hereby amended by (i) replacing the “or” at the end of clause (d) of such definition with “,”, (ii) adding a new clause (e) to such definition to read in its entirety as follows, “(e) has become the subject of a Bail-In Action or has a direct or indirect parent company that has become the subject of a Bail-In Action or”, (iii) renumbering the former clause (e) to be the new clause (f) of such definition, and (iv) replacing “(e)” in the last sentence thereof with “(f)”.

In the event that such rate is not available as provided in the preceding sentence, the “Eurodollar Base Rate” shall be, at the Administrative Agent’s discretion (in each case, rounded upward if necessary to the next 1/100 of one percent), (i) the rate per annum at which Dollar deposits are offered to the Administrative Agent in the London interbank eurodollar currency market or (ii) the rate per annum at which Dollar deposits are offered to the Administrative Agent in, or by the Administrative Agent to major banks in, any offshore interbank market selected by the Administrative Agent, in each case on the second Business Day prior to the commencement of such Interest Period at or about 11:00 a.m. London time (or as soon thereafter as practicable) (for delivery on the first day of such Interest Period) for a term comparable to such Interest Period and in an amount approximately equal to the amount of the Loan to be made or funded by the Lenders.

Each calculation by the Administrative Agent of the Eurodollar Base Rate shall be conclusive and binding for all purposes, absent manifest error.

Notwithstanding the foregoing, (x) in no event shall the Eurodollar Base Rate (including, without limitation, any Replacement Rate with respect thereto) be less than 0% and (y) unless otherwise specified in any amendment to this Agreement entered into in accordance with Section 2.12(c), in the event that a Replacement Rate with respect to the Eurodollar

(London time) on such day, or if such day is not a Business Day, then the immediately preceding Business Day (or if not so reported, then as determined by the Administrative Agent from another recognized source or interbank quotation).

(g) The definition of “Other Company Debt Agreements” in Section 1.1 of the Credit Agreement is hereby amended by replacing the word “Company” with the word “Borrower”.

(i) The definition of “Termination Date” in Section 1.1 of the Credit Agreement is hereby amended by replacing the date “December 30, 2019” with the date “May 8, 2023”.

“EEA Member Country”: any of the member states of the European Union, Iceland, Liechtenstein and Norway.

(k) Section 1 (General) of the Credit Agreement is hereby amended by adding a new Section 1.5, which shall read in its entirety as follows:

“1.5 Rates. The Administrative Agent does not warrant or accept responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to the rates in the definitions of “ABR”, “Eurodollar Base Rate” and “LIBOR Market Index”.”

(l) Section 2.12 of the Credit Agreement is hereby amended by inserting the following language to the end of the preamble: “, and until a Replacement Rate is implemented in accordance with clause (c) below”, and inserting a new clause (c) at the end of such Section, which shall read in its entirety as follows:

“(c) Notwithstanding anything to the contrary in this Section 2.12, if the Administrative Agent has made the determination (such determination to be conclusive absent manifest error) that (i) the circumstances described in this Section 2.12 have arisen and that such circumstances are unlikely to be temporary, (ii) any applicable interest rate specified herein is no longer a widely recognized benchmark rate for newly originated loans in the U.S. syndicated loan market or (iii) the applicable supervisor or administrator (if any) of any applicable interest rate specified herein or any Governmental Authority having, or purporting to have, jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which any applicable interest rate specified herein shall no longer be used for determining interest rates for loans in the U.S. syndicated loan market, then the Administrative Agent may, to the extent practicable (with the approval of the Borrower and as determined by the Administrative Agent to be generally in accordance with similar situations in other transactions in which it is serving as administrative agent or otherwise consistent with market practice generally), establish a replacement interest rate (the “Replacement Rate”), in which case, the Replacement Rate shall, subject to the next two sentences, replace such applicable interest rate for all purposes under the Loan Documents unless and until (A) an event described in this Section 2.12 occurs with respect to the Replacement Rate or (B) the Administrative Agent (or the Required Lenders through the Administrative Agent) notifies the Borrower that the Replacement Rate does not adequately and fairly reflect the cost to the Lenders of funding the Loans bearing interest at the Replacement Rate. In connection with the establishment and application of the Replacement Rate, this Agreement and the other Loan Documents shall be amended solely with the consent of the Borrower and the Administrative Agent, as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provisions of this clause (c). Notwithstanding anything to the contrary in this Agreement or the other Loan Documents (including, without limitation, Section 10.1), such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five Business Days of the delivery of such amendment to the Lenders, written notices from such Lenders that in the aggregate constitute Required Lenders, with each such notice stating that such Lender objects to such amendment (which such notice shall note with specificity the particular provisions of the amendment to which such Lender objects). To the extent the Replacement Rate is approved by the Borrower and the Administrative Agent in connection with this clause (c), the Replacement Rate shall be applied in a manner consistent with market practice; provided that, in each case, to the extent such market practice is not administratively feasible for the Administrative Agent, such Replacement Rate shall be applied as otherwise reasonably determined by the Borrower and the Administrative Agent (it being understood that any

such modification by the Administrative Agent shall not require the consent of, or consultation with, any of the Lenders).”

(m) Section 2.19(a)(i) of the Credit Agreement is hereby amended and restated in its entirety as follows:

“(i) after giving effect to the requested increase, the aggregate amount of increases in the Total Commitments after May 8, 2018 shall not exceed \$100,000,000;”

(a) The Borrower shall not permit the Total Leverage Ratio on the last day of any fiscal quarter to exceed 3.25 to 1.00. Notwithstanding the foregoing, the maximum Total Leverage Ratio permitted under this Section 7.1 shall increase to 3.75 to 1.00 for each of the four consecutive fiscal quarter periods following a Permitted Acquisition with total consideration in excess of \$50,000,000 (each such increase, an “Acquisition Step Up”); provided that (a) the Total Leverage Ratio shall not exceed 3.25 to 1.00 for at least two consecutive fiscal quarter periods before any subsequent Acquisition Step Up is permitted, (b) the Total Leverage Ratio shall not exceed 3.25 to 1.00 for the two consecutive fiscal quarter periods immediately prior to the Termination Date, (c) if the maximum Total Leverage Ratio in any Other Borrower Debt Agreement (including Section 10.1 of that certain Note Purchase Agreement, dated May 7, 2008 between the Borrower and the Purchasers listed on Schedule A thereto, and Section 10.1 of that certain Note Purchase Agreement, dated July 14, 2010 between the Borrower and the Purchasers listed on Schedule A thereto) is less than the maximum ratio permitted by this Section 7.1, then the maximum Total Leverage Ratio permitted by this Section 7.1 shall be deemed to be such lesser ratio.

(q) Section 7.2 of the Credit Agreement is hereby amended and restated in its entirety as follows:

“7.6 Subsidiary Debt. Except for Subsidiary guarantees contemplated and in compliance with Section 6.11 or Subsidiary guarantees of any Indebtedness in respect of any Other Borrower Debt Agreement (so long as the Borrower complies with Section 6.11), the Borrower shall not permit its Subsidiaries to create, incur, assume or permit to exist any Indebtedness other than (i) Indebtedness owing to the Borrower or another Subsidiary, and (ii) other Indebtedness in an aggregate principal amount not exceeding 5% of the stockholders’ equity of the Borrower and its Subsidiaries (determined on a consolidated basis without duplication in accordance with GAAP) as shown on the most recent balance sheet delivered to the Administrative Agent in accordance with Section 6.1.”

(s) Section 10 (Miscellaneous) of the Credit Agreement is hereby amended by adding a new Section 10.17, which shall read in its entirety as follows:

“10.17 Acknowledgment and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.”

3. **Conditions Precedent to the Effectiveness of this Amendment.** The effectiveness of the provisions of Section 2 of this Amendment is conditioned upon, and such provisions shall not be effective until, satisfaction of the following conditions (the first date on which all of the following conditions have been satisfied being referred to herein as the “Third Amendment Effective Date”):

(i) The issuance of the Senior Notes contemplated by clause (c) of the amended definition thereof shall have been consummated.

4. **Representations and Warranties.** In order to induce the Administrative Agent and the Lenders to enter into this Amendment, the Borrower represents and warrants to the Administrative Agent and the Lenders as follows:

(d) Governmental Consents. No consent, approval, order or authorization of, or registration, declaration or filing with, any Governmental Authority or other Person (including, without limitation, the equity holders of any Person) is required in connection with the execution and delivery of this Amendment by the Borrower, or the performance or consummation of the transactions contemplated hereby, except for those which have been made or obtained (or, in the case of a Form 8-K, will be made within the time period specified by the rules of the SEC) and are in full force and effect.
